BACK IN THE FOLD.

Rev. Thomas Dixon, Jr., Of The
Christian Union, Becomes
A Baptist.

New York, Jan. 15.—Rev. Thomas Dixon, Jr., who for four years past has been preaching to the people's Church, a Christian union denominational church whose Sunday meeting have been held at the Academy of Music and the Grand Opera house, read to his congregation to-day his resignation which will take place on March 1.

In his letter of resignation Dr. Dixon said that the result of his work had been disappointing; that he has not been able to raise sufficient money to meet expenses and that he "had been disillusionized as to the idea of organic Christian union." He has determined therefore to resume the position in the regular Baptist ministry.

"During the past four years," Dr. Dixon's letter reads, "everything I have said as pastor of the people's Church I could have said in a Baptist with equal propriety and greater force."

Regardless Of Age.

The kidneys are responsible for
moresickness, suffering, and deaths
than any other organs of the body.

A majority of the ill affecting
people to-day is traceable to kidney
trouble. It prevades all classes of
society, in all climates, regardless
of age, sex or condition.

The symptoms of kidney trouble
are unmistakable, such as rheuma-
tism, neuralgia, sleeplessness,
pain or dullache in the back, a de-
sire to urinate often day or night,
profuse or scanty supply.

Uric acid, or brick-dust deposit
in urine are signs of clogged kid-
neys, causing poisoned and germ-
filled blood. Sometimes the heart
acts badly, and tube casts (wast-
ing of the kidneys) are found in the
urine, which if neglected will result
in Bright's disease, the most dan-
gerous form of kidney trouble.

All these symptoms and conditions
are promptly removed under the in-
fluence of D. Kilmer's Swamp-Root.
It has a world wide reputation for
its wonderful cures of the most dis-
tressing cases.

Not one need be long without it
as it is so easy to get at any drug
store at fifty cents or one dollar.

You can have a sample bottle of
this wonderful discovery, Swamp-
Root, and a book telling all about
it, both sent to you absolutely free

VILLE KENTUCKIAN.

ABOUT THE WEED.

Fairly Good Sales and Receipts on
The Increase.

The sales of the weed this week
amounted to about fifty hogsheds.
No very fine tobacco was disposed
of. Prices were about the same as
those realized last week. Receipts
are improving with each day and
the indications are that as soon as
the roads get in order for travel
there will be a large increase.

Its "Wills" and "Shalls."

The use of "shall" and "will" in
the protocol is now arousing the
curiosity of linguists. Here are
some examples: "Spain will re-
nounce;" "Spain will cede;"
"The United States will occupy;"
"Spain will evacuate;" "Each of
the two governments will appoint;"
"Those commissioners shall meet;"
"Each of the two governments
shall likewise appoint;" "Commis-
sioners who shall meet;" "Spain
and the United States shall appoint;"
"The commissioners shall meet;"
"This treaty shall be ratified;"
"Hostilities shall be suspended;"
"Orders shall be given by either
government to the commanders."

The steady progress from "will"
to "shall" in the course of the docu-
ment can hardly escape notice. An
exponent of the "higher criticism"
would have a reasonable basis for
saying that at the middle of the
fourth article there is a change of
authorship. Or it is that the strenu-
ous effort to keep the velvet glove
of "will" on the iron hand of "shall"
failed at that point and that the
ruder word unconsciously slipped
in? If the action of the two coun-
tries had been consistently expressed
by "will" and the duties of the
commissioners by "shall," the dis-
tinction would have been logical, but
there is no such consistency.—

A Mean Trick.

Smith—You say you write dun-
ning letters to yourself and sign
them with fictitious names. What
do you do that for?

Jones—You see, my wife is al-
ways after me for money, and when
she reads those letters she becomes
discouraged.—London Fun.

FORBES & BROTHER

IN LITIGATION,

Is the Ownership of the Racket
Stock.

A petition was filed in the Circuit
Court Wednesday by a representa-
tive of Charles Broadway Rouss, of
New York, asking for an order of
delivery of the stock of goods in the
Racket store. The petition alleges
that Rouss is the owner of said
stock, which is estimated to be
worth \$10,000. Mr. C. N. Ward, of
Alliance, O., and Mr. Hyde, of New
York, have assumed management
of the store, Rouss having given
bond for \$20,000, and an inventory
of the stock is being taken.

Mr. Kugler's retirement is the
outcome of a business misunder-
standing between Rouss and him-
self, as agent for Rouss, there
being no personal feeling in the
matter.

The suit to establish the rights
between the former manager and
owner will be tried at the spring
term of Circuit Court.

Major John Phelps is represent-
ing Mr. Rouss in the matter and
Mr. John Feland has been retained
by Mr. Kugler.
